

The Heart of the

INDONESIAN ARCHIPELAGO

Once-in-a-lifetime journey

Explore | Experience | Exotic Asia

The 12-day "Heart of the Indonesian Archipelago" journey offers a blend of spiritual exploration, cultural immersion, and wildlife adventure. This immersive itinerary spans from the Buddhist grandeur of Borobudur to the emerald terraces of Ubud, concluding with a luxury yacht expedition into the prehistoric realm of the Komodo Dragons.

Key highlights

- **Ancient Temples and Heritage:** Exploration of 9th-century temples, including a guided visit to Borobudur, the world's largest Buddhist masterpiece.
- **Wildlife Encounters:** Guided encounters with legendary Komodo Dragons on Rinca Island alongside park rangers.
- **Luxury Sailing:** A three-night cruise aboard the Mutiara Laut, a luxury yacht, featuring personalized ocean service through Komodo National Park.
- **Cultural Immersion:** Rural village cycling, visits to local artisans, and hands-on Balinese cooking session with a local family.
- **Natural Wonders:** Snorkeling with majestic manta rays at Manta Point and visiting the iconic Pink Beach.
- **Scenic Landscapes:** Trekking to the famous viewpoint on Padar Island for panoramic scenery and walking through the lush rice fields of Ubud.
- **Exclusive Experiences:** Private picnics in hidden valleys and rainforests, and a sunset traditional Kecak Dance at Uluwatu Temple.
- **VIP Service:** The journey includes VIP airport assistance, private transfers, and expert local guides throughout.
