WELLNESS ANTI-AGING PROGRAM

MTR Facial Treatment

• from USD 698+ · 120 min

A treatment designed to reduce wrinkles and improve skin health from within. Combined with face-lifting care, fine micro-needles are utilized to enhance the absorption of stem cell culturing fluid rich in growth factors, promoting skin cell growth and facial rejuvenation.

Miro Cell-Booster

from USD 2,798+ · 4 hours

A targeted cellular regeneration program utilizing mitochondria to maintain skin health and combat aging at a cellular level.

TheraSpa

from USD 898+ · 120 min

A body purification program featuring hydrotherapy equipment to eliminate toxins. It incorporates RF, Lower-Level Laser, and Vacuum technology to reduce cellulite and provide body contouring effects.

Hair Spa

from USD 468+ · 90 min

This program includes basic scalp care and the application of growth factor and scalp immunization ampoules to areas of hair loss. Using herbal-derived growth factors, it activates hair follicles to support a normal hair growth cycle.

THE 5-DAY BEAUTY & WELLNESS JOURNEY

- Day 1: Arrival & Assessment: Arrival, specialized skin consultation, and rest.
- Day 2: Signature Care: Face massage (skin/fatigue assessment, cleansing, face/neck/shoulder massage, soothing/moisturising).
- Day 3: Skin & Culture: Skincare session followed by cultural immersion.
- Day 4: Deep Relaxation: Body massage or spa retreat (options for aromatherapy, hot-stone, yoga, or meditation).
- Day 5: Departure: Gentle Seoul culture and outbound departure.
